

TRI-COUNTY SLO-PITCH

INFIELD FLY RULE

- A. The infield fly rule only applies when there are less than two outs, and there is a **FORCE PLAY** at third (runners on first and second base, or bases loaded). In these situations, if a **FAIR FLY BALL** is a hit that, in the umpire's judgment, an infielder can catch with ordinary effort, the batter is out regardless of whether the ball is caught or not by the fielder. The rule states that the umpire is supposed to announce, "Infield fly, **if fair.**"
- B. If runners are to advance they do so at their own risk and **MUST TAG UP.**
- C. If the ball is not caught or dropped during an infield fly then runners **DO NOT** need to tag up if they are attempting to advance.
- D. Umpires will call this rule even if it is a shallow pop fly in the outfield. In order to make things less complicated on everyone this rule will **ONLY** be called when the ball is popped up in the infield. Please allow play to continue as normal upon a shallow pop fly to the outfield .
